The song you have requested is copyrighted. Copyright law requires you to obtain a license before reproducing any copyrighted material. There are a number of broad-based licenses available that provide permission to reproduce material from a number of rights holders. LicenSingOnline.org is one such license. Copyright law also requires you to print copyright lines with all reproductions of copyrighted material.
HEALING RIVER OF THE SPIRIT

BEACH SPRING

1. Healing river of the Spirit, Bathe the wounds that living brings. Plunge our pain, our sin, our sadness. Deep beneath your sacred springs. Weary from the restless searching. That has lured us from your side. We discover in your church. Your grace. As we meet both friend and stranger, May we see our Savior's face. Presence Peace the world cannot provide.

2. Well-spring of the healing Spirit, Stream that flows to bring release, As we gain our selves, our senses, May our lives reflect your peace. Grateful for the flood that heals us, May your conflict; Wars are raging at this hour. Church enacts your grace. As we meet both friend and stranger, May we see our Savior's face. Peace the world cannot provide.

3. Living stream that heals the nations, Make us channels of your pow'r. All the world is torn by wounds that living brings. Plunge our pain, our sin, our sadness. Deep beneath your sacred springs. Weary from the restless searching. That has lured us from your side. We discover in your church. Your grace. As we meet both friend and stranger, May we see our Savior's face. Presence Peace the world cannot provide.
