

*Did you know some prayers  
of the Mass are changing?*

# Come learn about it!

Join other members of our faith community to learn about the revised Roman Missal text and to understand the reasons for the changes to some of the prayers and responses. Adults will meet in small groups for 8 weeks to explore the Mass together, get to know each other better, and grow in understanding and appreciation of our rich sacramental heritage. Pick a day and time that fit in your schedule. Groups will meet weekly from Sept. 18th - Nov. 13th.
