

Saturday Morning Men's Group

How do we talk about morality in a world that no longer believes in truth? Introducing Dr. Edward Sri's 8-part study program that gives us an important key to responding to relativism effectively—a Catholic moral worldview. Learn how Catholic morality is all about love, how making a judgment is not judging a person's soul, and how, in the words of Pope Francis, "relativism wounds people" and is "the spiritual poverty of our times."
