

2023 Lenten Adult Small Groups

Sunday by Sunday is a way to reflect on the Gospels throughout the Liturgical year. Sunday by Sunday is a publication of the Sisters of St. Joseph in St. Paul, Minnesota. It begins and ends with prayer. Its questions inspire adults to share the faith they live, and to wrestle with what Jesus in the Gospels asks of us in our time, in our neighborhoods, in our world.

Beginning Sunday February 26, 2023

Sunday evening: 7:00 p.m.

There is no preparation necessary prior to meeting each week. It is encouraged to read the upcoming Mass readings prior to meeting, but not necessary.

Registration is required!
